Attitudinal Survey

Please complete this survey after completing the module and post-test. By participating in this survey, you will help us to determine if the instruction was effective.

Please use the 4-point scale to indicate your agreement or disagreement with each statement. Record all responses by circling the corresponding number.		Strongly Disagree	Disagree	Agree	Strongly Agree
1	The instructions were clear.	1	2	3	4
2	I had technical problems when using the module.	1	2	3	4
3	The module was easy to navigate.	1	2	3	4
4	The module was helpful.	1	2	3	4
5	The module was user-friendly.	1	2	3	4
6	The module provided enough practice.	1	2	3	4
7	The module was motivating.	1	2	3	4
8	The module covered materials that were personally beneficial to me.	1	2	3	4
9	The module allowed me to attain information and skills unknown to me before.	1	2	3	4
10	The video examples were helpful.	1	2	3	4
11	The test questions were clear and understandable.	1	2	3	4
12	The use of a computer-based tutorial was helpful.	1	2	3	4
13	I learned something about assistive technology.	1	2	3	4
14	I learned something about learning disabilities.	1	2	3	4
15	I have a better understanding about matching technology to learning strengths and weaknesses.	1	2	3	4

Additional comments and/or suggestions for improvement on the module:
